

EV TES 465 SN7215 (758 036)

| Type                                          | EV TES 465 SN7215                              |
|-----------------------------------------------|------------------------------------------------|
| Part No.                                      | 758 036                                        |
| Tube length                                   | 465 mm                                         |
| Total length (l <sub>g</sub> )                | 550 mm                                         |
| Screw                                         | M8 x 20 mm                                     |
| Use                                           | Not suitable for use in wet weather conditions |
| Material (contact and coupling electrode)     | Zamak                                          |
| Material (insulating tube)                    | Glass-fibre reinforced polyester tube          |
| Weight                                        | 203 g                                          |
| Customs tariff number (Comb. Nomenclature EU) | 85369095                                       |
| GTIN                                          | 4013364133884                                  |
| PU                                            | 1 pc(s)                                        |
