FEIN benefits

- › Designed for cutting out windows and work on the car body.
- › Anti-vibration system: continuously safe and pleasant working thanks to minimal vibrations and outstanding noise insulation.
- › QuickIN: tool changes in less than 3 seconds thanks to the patented tool-free FEIN rapid clamping system.
- › 12-sided holder for optimum torque transfer.
- › 18 V FEIN PowerDrive motor: very powerful and virtually wear-free, brushless motor offering great efficiency, ability to handle extreme loads and a long service life.
- › Tacho generator: constant speeds even under load and infinitely variable electronic speed control.
- › Metal gearbox: ability to withstand high loading and outstanding service life because all the gearbox parts are made from metal.
- › Electronic Cell Protection (ECP): ECP protects against overload, overheating and total discharge.
- › The COOLPACK technology ensures a longer battery life and therefore makes long operating periods possible.
- › The battery charge can be read off the battery.
- › Compatible with AMPShare/Bosch Professional 18 V batteries.
- › Ideally equipped for every job. Mobile working with the L-BOXX system.
