

ASBS 18-10 AS

Wet / dry dust extractor

Light and compact, dust class L cordless dust extractor with high suction force for mobile use.

Part number: 9 26 04 203 01 0

FEIN benefits

- > The rotary air flow ensures a powerful, constant suction power and therefore low dust levels and a clean working environment at all times.
- > Different accessories and working without a dust bag make various wet and dry applications possible and help achieve perfect results.
- > The compact design and low weight make it easy to transport the device, therefore enabling use in a wide range of working environments.
- > Compatible with AMPShare/Bosch Professional 18 V batteries.
