Clamp clips, connectable

flame-resistant version

Clamp clips are used to secure conduits of various materials to ceilings or walls. They are available in common metric sizes M 12 - M 63. The clamp clip has a 5 mm slotted mounting hole and can be secured, for example, using an M 6 threaded knock-in anchor, a plastic screw anchor or a nail anchor.

CE ✓ | halogen free | silicone free | Max. 960°C | PP | RAL 7030
